

Plan-It Green Friendly Park APPLICATION

RECYCLE, REUSE, REDUCE. Does that sound like your park? Is your park committed to making a difference? Your park may be eligible to participate in the ARVC Plan-It Green Friendly Park program based on a simple evaluation of your park's current green practices.

If you would like to be recognized as a Plan-It Green Friendly Park for 2021, please complete and return this form to Heather Rubenaker at heather.rubenaker@arvc.org or 9085 E. Mineral Circle, Suite 200, Centennial, CO 80112.

Campground Name _____ Membership Number _____

Contact Name _____ Email Address _____

Parks that would like to be recognized as a Plan-It Green Friendly Park must meet *at least nine* of the following 16 eco-friendly criteria:

- Actively demonstrates and communicates conservation and recycling practices to employees and guests.
- Park provides recycle bins for cans, paper, glass and plastic
- Park uses energy-saving products and appliances
- Park uses motion sensors or other lighting control devices
- Park uses non-toxic biodegradable cleaning products
- Park invests in landscaping practices and techniques that minimize water usage
- Park landscaping consists of wood chip, pebble, paved, or grass paths
- Park uses post-consumer recycled products
- Park participates in on-site organic composting solutions
- Park uses programmable devices and/or timers for thermostats and/or sprinkler systems
- Park utilizes renewable energy power sources
- Park uses low voltage lighting kits to light walkways, patios, decks, etc.
- Park uses water-saving faucets, toilets, shower heads, water heaters and/or laundry
- Park utilizes recycled water systems
- Park recycles hazardous waste

By signing this document, you acknowledge your interest in participating in the Plan-It Green Friendly Park program. You also agree to use the Plan-It Green logo appropriately and within the guidelines of ARVC. ARVC reserves the right to use your application responses in promotional material and educational content.

Qualifying Plan-It Green Friendly Parks will receive program participation recognition on GoCampingAmerica.com and arvc.org and have full use of the Plan-It Green Friendly Park logo for promotional uses during the year of program enrollment. Program participation expires 12/31/21. Park who qualify as a Plan-It Green Friendly Park must renew enrollment in the program every year. Only participating Plan-It Green Friendly Parks are eligible to be nominated for or awarded the yearly Plan-It Green Award of Excellence.
